ORIENTATION ON RESEARCH METHODOLOGY

Name of the Event: Orientation on Research Methodology

Organiser: PG Department of Commerce

Date: 7th March 2023

Venue: III B.Com Classroom

Activity: Introduction to research methodology

Resource Person : Dr. Titto Varghese

Coordinator: Dr. Athena Joy

Number of Participants: 40 students of III B.Com

The Research Methodology Workshop was conceptualized to facilitate the academic requirements of the Graduate students at the Department of Commerce, St. Xavier's College, Vaikom. A one-day orientation was conceptualized with the intention of knowledge-building on the fundamentals of research concepts, methodologies, and processes in addition to providing inputs on the essentials of project writing on 7th March 2023. The workshop was organized using available resource persons in the Department of Commerce itself. Dr. Titto Varghese (Assistant Professor, Department of Commerce) was the resource person for the workshop. He has more than one decade of experience in research and academics. Dr. Athena Joy, Class coordinator of final year degree students organized the workshop.

The workshop covered all the aspects of doing social science research from identifying a research topic and formulating a research problem, developing a research design, developing a research hypothesis, preparing a questionnaire and interview schedule, collecting data and doing data analysis, and finally project report writing. The workshop received an overwhelming response in terms of student participation and feedback.

WORKSHOP ON SPSS

Name of the Event: Workshop on SPSS

Organiser: PG Department of Commerce

Date: 16th August 2022

Venue: PG Classroom

Activity: Hands on training for using SPSS software for data analysis

Resource Person : Dr. Athena Joy

Coordinator: Mr. Joseph Abey

Number of Participants: 10 students of II P.G

A training workshop on the usage of Statistical Package for Social Sciences (SPSS) software was organized on 16th August 2022 by the Department of Commerce. Dr. Athena Joy, Assistant Professor (Department of Commerce), was the Resource person for the one-day workshop. Mr Joseph Abey was the faculty coordinator of the workshop. The objective of the workshop was to provide an overview of the use of SPSS software for data analysis to complete the M.com Dissertation. The direct beneficiaries of this workshop were final-year PG students writing their dissertations, using primary data. This workshop helped the participants to have a hands-on experience with the use of software. The speaker explained how to code and enter data and data filtration. Students were given a brief introduction to hypothesis testing and cross-tabulation. The workshop received an overwhelming response in terms of student participation.

ACTION TAKEN REPORT

We understand the importance of addressing student's concerns and are committed to creating an educational environment that fosters growth and success. We will continue to monitor and adapt our approach based on ongoing feedback taken from the Students, Employers, Alumni, and Teachers. It has helped to propel our performance in a better fashion and created a student friendly atmosphere in the campus. Following are the measures adopted by the institution to recompense the grievances.

1. The financial condition of the Government has imposed many restrictions in appointing non- teaching staff which has adversely affected the periodic maintenance of the existing facilities. The College PTA has appointed two menial staffs on daily basis to clean the wash rooms and lavatories. Teaching and non-teaching staffs are deputed to make periodic surveillance of the lavatories and rest rooms.
2. We have represented the Government officials and the RTO to issue new bus permits or to extend the bus routes to mitigate the inconvenience of the students. Only a few buses ply through the roads to our institution. This is a major issue which goes unattended even after repeated reminders.
3. We have successfully installed LCD projectors at least in our Seminar Halls and Common Media Room despite our financial stringency. The Management is doing yeoman service to upgrade the ICT facilities.
4. Implemented measure to enhance food quality and maintain higher standards of hygiene in the canteen.
5. We have appointed a Physical Education Instructor (Guest Faculty) against LWA vacancy to give necessary physical training to the students and continue the good work we have been doing in the past years. The Council and the PTA are on constant vigil to promote physical health and fitness among students. We plan to expand our sports activities with Inter Collegiate Tournaments to encourage student participation in sports.
6. Undertook various Initiatives to enhance the overall campus ambience, including landscaping, Infrastructure improvements and proper

maintenance of playground providing systematic drainage system to avoid water logging.

7. Shortage of funds and lack of time restricted the extra- curricular activities to certain extent. The management and the staff have now provided ample opportunities to the students to showcase their talents. The College represented three group events and several other individual events at the University Youth Festival and bagged many grades in the individual events.

We always appreciate the valuable feedbacks from different stake holders and these actions are a testament to our commitment to provide a conducive learning environment. We will continue to shine for excellence and address any further concerns raised by our wards, alumni, employers and faculty.
