

**Training to Self help groups on Value Added Products from Clam
meat conducted in association with NIFPHATT, Kochi**

August 2nd and 3rd 2022

Venue: Media Lab

The Department of Zoology organized a magnificent function to commemorate the completion of glorious 24 years and to usher the department into its 25th year with increased vigour and robust optimism. The event was earmarked with training on preparation of value added products from clam meat conducted in association with NIFPHATT, Kochi which was imparted to fifteen women of the local self help groups with a broad vision of transferring knowledge from confined classrooms to the wider horizons of the local populace. The function commenced with a devotional rendition by Aswathykutty P.T to invoke divine blessings for the successful completion of the programme. Dr. K.J Abraham delivered the welcome address and briefed about the legacy of the department. Presidential address was delivered by Ravisankar P.C, Vice Principal of the College. Professor Sunny Jose (Former, H.O.D of Zoology) was the chief guest of honour who formally inaugurated the function by lighting the ceremonial lamp and delivered the inaugural address. Professor Sunny Jose in his elaborate and lucid speech gave a vivid back flash on the activities of the department in the last two decades and also gave innovative suggestions for future endeavours. College manager, Reverend Fr. Reju Kannampuzha impressed the audience with his unique words of blessings. Dr. Tomy Joseph (IQAC Coordinator) and K. Kamal Raj (Processing Technologist, NIFPHATT, and Kochi) rendered the felicitations. Vote of thanks was delivered by Dr. Sarita Ramachandran, Faculty of Zoology.

Training on preparation of varied delicacies like pickles, cutlet, samosa, vada and wafers from clam meat with enhanced shelf life was imparted to fifteen women of the local self help groups for two days in the college premises and the delicacies were displayed in an appealing and creative way at the end of the workshop. The two days workshop concluded with a valedictory function wherein Dr. K.J Abraham (H.O.D of Zoology) and Ravisankar P.C (Vice Principal) gave an overview about the workshop. Dr. Nithin and K Kamal Raj shared their experience about the workshop and applauded the trainees for their active participation. Dr.RajalakshmiT presented the concluding remarks and delivered the vote of thanks.

Workshop on Water Hyacinth for self help groups: A socio-economic resource for livelihood

22 June 2022, Wednesday

Venue: Media Lab, St.Xavier's College Vaikom

“Workshop on water hyacinth: A socio-economic resource for livelihood” organised by The National Institute of Advanced studies, Bangalore, Centre for Earth Research and Environment Management, Kochi and Department of Zoology, St. Xavier's College, Vaikom was held on 22nd June, 2022. The programme commenced with an invocation by Aswathykutty P.T of third year B.Sc Zoology. Dr.K.J Abraham (Head, Dept. of Zoology) delivered the welcome address and gave a kick start to the workshop. Dr. Gimson D Parambil, Principal, St. Xavier's College Vaikom delivered the presidential address. Dr. Ajith Joseph K, Executive Director, Nansen Environmental Research Centre, Kochi gave a brief introduction about the resource persons to the audience. Dr. Jayasree Vaidyanathan, Scientist, The National Institute of Advanced Studies, Bangalore gave a brief lecture about the social and economic utilisation of water hyacinth and Dr. N C Induchoodan, SSM, Kochi gave a detailed lecture on the environmental perspective of water hyacinth and the suitable strategies to be adopted for transforming this ecological waste to a valuable resource. Mr. Anuroop Gopalakrishna Bhakthan a young entrepreneur and brand ambassador of “Payal Jwala” shared his insights on the application of water hyacinth and its potential prospects, ignited the young minds with his motivational, thought provoking words and also inspired all the participants to think out of the box. This was followed by an interactive session and the members of the self help groups belonging to the neighborhood community of the college also gave a positive feedback about the workshop. The workshop ended with concluding remarks and vote of thanks by Dr. Sarita Ramachandran, Faculty of Zoology, St. Xavier's College Vaikom.
