

MEGA JOB FAIR, 'UNARVU'-2023

The effective leadership showcased in the Mega Job Fair, named Unarvu, held on 25-05 2023, epitomized through democratic and decentralized practices. The college actively engaged a multitude of stakeholders, including the governing body, principal, college council, IQAC, conveners, societies, cells, clubs, and the student council, in both policy development and implementation.

During the official ceremony, various dignitaries, such as Prof. (Dr.) Gimson D Parambil, Vaikom Block Panchayath President Adv. K.K. Renjith, Rev.Fr. RejuKannampuzha, and Sri. Thomas Chazhikadan, Member of Parliament, contributed their insights and perspectives. This inclusive approach fostered a sense of ownership and collaboration among all involved parties. Furthermore, the decentralized and participative management strategies employed in organizing the event proved highly effective. The Career Guidance Cell distributed specific responsibilities among different teams and individuals, ensuring efficient coordination and execution. This approach facilitated swift decision-making processes, minimized bottlenecks, and optimized resource allocation. The involvement of 25 companies and the registration of 604 candidates, with 276 candidates eventually shortlisted, underscored the success of this decentralized approach. By decentralizing tasks and actively involving stakeholders, the Mega Job Fair not only provided diverse job opportunities but also ensured a well-organized event with enhanced student participation.

In conclusion, the Mega Job Fair exemplified the benefits of decentralization and participative management. Its success serves as a testament to the importance of involving stakeholders and distributing responsibilities in similar initiatives, highlighting the efficacy of democratic leadership practices.

Various Committees

.Organizing Committee: This committee is responsible for overall coordination and planning of the mega job fair. They will oversee all aspects of the event, including venue selection, logistics, budget management, and marketing.
