CAREER AND PLACEMENT CELL

ANNUAL REPORT FOR THE YEAR 2022-23

The Career and Placement Cell of the College organised several activities during the year 2022-23 with the clear objective of motivating and inspiring the students to achieve their career goals. Activities of this academic year included lectures by eminent scholars, employability skilling programmes, personality development programmes, soft skill development programmes, career counselling programmes and placement drives. The programmes provided a platform for the students to enhance their skills such as leadership, self-confidence, team building, time management, effective communication, capacity building, and cognitive ability.

The details of the activities conducted are listed below:

1. 21st Century Employability Skill Training Programme – Wadhvani Foundation USA

A pioneering step of the College was the association with the **Wadhvani Foundation, USA** to offer 21st Century Employability Skill Training programme to the final year and second year students. The programme had the objective to enhance the core competencies of students with the aim of equipping them to be fit for the corporate world. The official launch of the programme was held on International Youth Day, **August 12, 2022**. The course mapping and training sessions for the mentors figured out the methodology to run the programme on campus. Through a self-paced learning mechanism, seven major competencies were covered with the help of **37 units** to be completed within a given time frame of three months. Weekly once, a **collaborative session** was arranged with the Trainer giving valuable inputs on the performance of the students. The students become eligible for certification based on their performance in the formative and summative assessments. The programme was well-received by the student community, with a vast majority of the learners being eligible for certification. **176 students** successfully completed the course and brought laurels to the institution.

4. Chartered Accountancy Career Counselling Programme

Chartered Accountancy (CA) is a prestigious and globally recognized professional qualification that holds immense appeal for commerce students. The journey to becoming a Chartered Accountant is challenging yet rewarding, offering a diverse range of opportunities in various sectors. On **December 9, 2022**, a career counselling programme on the Chartered Accountancy Course was offered to first and second year B.Com Students in an effort to promote commerce education among graduate students with a particular focus on the CA course. **66 students** attended the informational session along with 5 faculty members. It intended to develop and promote inspirational stories and creative contents for knowledge dissemination with a focus on the CA education. **CA Ciby K.C., FCA** gave the keynote address and focused on the structural changes that will be put into place in the CA course commencing in 2023. He also underlined to the students the new options that would be available to them at various exit points during the course. The programme was arranged in collaboration with the Kottayam Chapter of ICAI.

Virtual Placement Drive

A virtual placement drive was conducted in the College on 23.12.2022 in association with Zero Pi Tech Solutions Pvt Ltd. Around 10 students participated in the placement drive and two of them were shortlisted. It was a good learning experience to the naïve students as they could get an idea about virtual placement drive. Moreover, their confidence levels were boosted up and they could realise the importance of effective communication skills for getting through an interview.
