

# ST. XAVIER'S COLLEGE VAIKOM

Re accredited with B+ Grade by NAAC

Transforming lives since 1981

## LONG TERM PLAN

### Mission

To provide quality education, foster community development and promote socio-economic growth in the region.

### Objectives

- Improve infrastructure and facilities
- Enhance academic programs and faculty development
- Increase Student enrollment and retention
- Foster Community engagement and outreach
- Ensure sustainability and self-sufficiency

### Strategies

- To acquire Institutional Autonomy Status for flexibility in curriculum design.
- Upgradation of departments to post graduation level for facilitating Integrated Programmes
- Establishment of Research Centers with multidisciplinary approach focusing on sustainable development and conservation of indigenous biodiversity.
- Upgradation of classroom infrastructure, including AV-enabled classrooms, establish ICT –enabled learning spaces.
- Establishment of a common air-conditioned instrumentation facility for all the science departments.
- Library Collection Development: Increasing collection of books, journals and other resources both physical and digital form as per the academic and user requirements.
- Institutional Membership: Acquiring institutional membership from affiliated M G University Library for accessing its available resources and services.
- Expansion of Digital Resources in Library: Further digitalization of resources and incorporation of more collections.

# ST. XAVIER'S COLLEGE VAIKOM

Re accredited with B+ Grade by NAAC

Transforming lives since 1981

- Development of Collaborative Research Spaces in library to support group studies and research activities.
- Collaboration with other Institutional Libraries/educational firms.
- New Library Space for future expansion: A perfectly planned library with all the sections as per library building standards.
- Establish the college as a hub for innovation and entrepreneurship so as to bridge the gap between academics and industry.
- Enhance MoUs/MoAs with industry for department specific student employability.
- Introduce new academic programs and faculty development initiatives.
- Faculty and student exchange programmes with institutes of national eminence and international universities.
- Exploring and designing demanding self-financing courses for enhancing institutional outreach in rural areas.
- Implement energy-efficient and eco-friendly practices
- Establishment of an aesthetically appealing auditorium equipped with an LED wall.
- Development of an art and culture center and establishment of an art gallery for showcasing and displaying the creative works of students.
- Development of a museum showcasing the cultural history of Vaikom and display of ethnic implements.
- Renovation of the playground so that it can be used for diverse events.
- Establishment of a seminar hall with all the modern amenities for the conduct of workshops and seminars.
